COMPANY PROFILE

INTERNATIONAL FREIGHT FORWARDING & LOGISTICS

Dubai, United Arab Emirates

ABOUT FLAIR

Connecting Businesses Through Global Freight

Established in Dubai in 2002, Flair Shipping LLC is an independent international freight forwarding and logistics company providing transportation solutions across sea, air and land.

With more than two decades of industry experience, we support importers, exporters, manufacturers and trading businesses with shipments ranging from general commercial cargo to specialised machinery and project freight.

Working with international carriers, overseas forwarding partners and logistics providers, we coordinate freight arrangements tailored to each shipment's requirements, routing, timelines and commercial priorities.

Our approach combines practical shipping expertise, competitive freight options and direct customer communication, supported by extensive familiarity with UAE and regional logistics operations.
